Dear Supervisors:

**RESOLUTION PROHIBITING PARKING OF COMMERCIAL VEHICLES AT CERTAIN
SPECIFIED LOCATIONS AND TIMES IN THE AREAS OF PASADENA, WHITTIER,
WALNUT PARK, FLORENCE, ALTADENA, AND ATHENS/WESTMONT
ALL SUPERVISORIAL DISTRICTS
3 VOTES**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Adopt the enclosed Resolution establishing the prohibition of parking of commercial vehicles with a gross vehicle weight rating of 10,000 pounds or more at the times and locations specified in the enclosed Resolution pursuant to Section 22507 of the California Vehicle Code and Section 15.64.055 of the County Code.
2. Instruct the Director of Public Works to post adequate signage along the affected streets in order to reasonably apprise the public as to the nature and extent of the prohibitions.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

On April 30, 2002, your Board adopted an Ordinance amending Title 15 - Vehicle and Traffic of the Los Angeles County Code, wherein Section 15.64.055 of the County Code was amended to allow the County to prohibit or restrict parking of commercial vehicles with 10,000 pounds manufacturer's gross vehicle weight rating or more on designated streets and alleys. A Resolution of your Board is required to designate those streets and alleys where the specific prohibition or restriction is to apply.

Implementation of Strategic Plan Goals

This action is consistent with the County Strategic Plan Goal of Service Excellence by establishing commercial vehicle parking restrictions consistent with current provisions of the Vehicle Code and the County Code and implementing additional commercial vehicle parking prohibitions at the locations specified in the enclosed Resolution's attachments.

FISCAL IMPACT/FINANCING

Sufficient funds are included in the proposed Fiscal Year 2002-03 Public Works Road Fund budget to cover the minor cost of installing the necessary signs and markings advising the public of the parking prohibitions or restrictions. Financing is not required.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

This Resolution complies with provisions of Section 22507 of the Vehicle Code and Section 15.64.055 of the County Code which authorize your Board to prohibit or restrict parking of commercial vehicles on streets or highways specifically identified in the Resolution. The parking of commercial vehicles has adversely impacted the quality of life and/or traffic safety on the streets and surrounding neighborhoods at the specific locations set forth in the enclosed Resolution.

ENVIRONMENTAL DOCUMENTATION

The establishment of these restrictions, including the installation of related traffic control devices required to notify the motoring public, is categorically exempt under Class I-(X)7 of the Environmental Guidelines approved by your Board.
